PRINCIPAL'S MESSAGE

Welcome to Term 2.

We are all excited to be back on deck and continuing to build on to the great start that we have had to the year.

Last term ended on a positive note with the fantastic combined YAC/Cummins Area School Youth Event on the Wednesday of week 10. The weather certainly put on a show for us and many families enjoyed the opportunity to come along and support the afternoon. There was a lot of fun had with the free activities provided by the Youth Week Grant obtained by YAC and this was complemented by the stalls run by our Crews across the site, as well as our amazing canteen. We look forward to continuing with this event into the future and once again thank Julie Crettenden for her work in supporting YAC and writing the grant application, as well as the Rambler and United Yeelanna Sporting Clubs for shifting their junior training nights to allow us to run the event in Youth Week without being impacted by Gather Round events in Adelaide. Thanks to all staff and students for their hard work on the afternoon as well.

School photos are taking place in the next few weeks and families should have received information about this through Daymap. The photographers have asked to run the photos over two days this year due to the size of the school in an attempt to take some of the pressure off of the day, which will be beneficial to all involved. As you can imagine, the organization of these days is significant, so thanks to Jenna for her work in making it all happen.

After the success of our Coffee with Leaders Mornings and Family Learning sessions last term we have set the dates for this term's events. We will be holding 2 JP/Primary sessions – these will take place on Friday, May 23rd and Thursday June 26th, from 8.30 am. The Secondary session will be held on Wednesday, 4th June at 8.30 am. There will be more information and reminders closer to the date, but save these in your calendar for some forward planning. We were thrilled with the attendance at our last session and the opportunity to showcase our Crew vision at CAS and look forward to seeing even more families there at future events.

Regards,

Mel

CUMMINS SCHOOL COMMUNITY LIBRARY

Exciting News: Pre-School Programs Resume This Week! We are thrilled to announce the resumption of our beloved pre-school programs, starting this Friday at 9:30 AM. Join us for a delightful morning filled with Baby Bounce, Storytime, and Nature Play, designed to engage and inspire our youngest learners. Each week, we will explore a new theme through stories, songs, crafts, and nature play. This is a wonderful opportunity for children to learn through play, meet new friends, and discover pathways for developmental growth. Our programs are thoughtfully crafted to support early childhood development, fostering creativity, curiosity, and social skills. Parents and caregivers are encouraged to participate, creating a nurturing environment for both children and adults to connect and learn together. We look forward to welcoming you and your little ones to a fun-filled morning of exploration and discovery. Don't miss out on this fantastic opportunity to enrich your child's early learning journey.

PREMIER'S READING Challenge

Join the Premier's Reading Challenge: Ignite a Love for Reading! The Premier's Reading Challenge (PRC) is a fantastic literacy engagement program that has been inspiring students since its introduction by the Premier in 2004.

The Challenge aims to encourage students to read more books, enjoy the process of reading, and ultimately improve literacy levels. To participate, students are required to read 12 books between the start of the school year and early September. This initiative not only promotes a love for reading but also enhances comprehension and critical thinking skills. In our effort to boost participation in the PRC, we are excited to announce the arrival of new books across various genres and reading levels. Our library is committed to fostering a reading culture among students of all ages. As a library member, students can also borrow audio and ebooks, which can be added to their reading lists. Additionally, we offer a selection of novels in dyslexic-friendly fonts and styles to support diverse reading needs. We invite all students to take advantage of these resources and join the Premier's Reading Challenge. Let's work together to ignite a lifelong passion for reading and learning. Happy reading!

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

BYOD LAPTOP PROGRAM FOR YR 7-12 STUDENTS

<https://cummins.orderportal.com.au>

All students from Year 7 to Year 12 are required to supply their own laptop for use at school.

We ask that *ALL* purchases of new laptops for school use, for all year levels, be made via the School Ordering Portal. This alleviates the current issue of the many varied devices being purchased which do not meet the required minimum specifications for use at school.

The online Order Portal provides families with a variety of suitable devices which meet the required specifications, including some accessories, insurance and finance options. The devices found on the portal have been chosen for their battery performance, durability of cases, network compatibility and based on recommendations from industry experts.

Other considerations when purchasing a device for your student:

- **Insurance:** check your home contents insurance to see if the device will be covered
- **Transport between home and school:** device should be carried in a sturdy protective bag away from food & water bottles
- **Charging:** Students must charge their device at home and bring it to school every day fully charged. (Personal power adapters are not to be used at school unless Tag Tested).
- Students have access to **Microsoft Office 365** via their School email account at no cost, providing access to Word, Excel, Powerpoint, One Drive etc. There is no need to purchase this software separately.
- Whilst enrolled at school, students are connected to the school provided internet and are protected by a significant Departmental filtering system that prevents access to many harmful or malicious sites. According to Cummins Area School ICT Acceptable Use Policy, students may use the internet only for learning related activities that are approved by a teacher.
- It is the responsibility of the student / parent / caregiver to setup the Home-Internet connection on the device.
- Students must perform 'Software Updates' on the device as they become available in order to install the latest virus definitions and security patches.
- Students will use OneDrive provided through Office 365 which safeguards work from being lost on a USB etc. Students are also strongly encouraged to backup necessary files in numerous locations, including via email where appropriate. Technology failure is not an approved circumstance for extensions at Cummins Area School.

**Device chosen must take into consideration the types of subjects the student is studying eg; Design related subjects may require an i7 (Senior High School students)*

***Please note; Apple devices are not recommended for use in our school environment as they are not compatible with our school network and will impact your child's ability to access school services such as printing. Apple devices will not be supported by the School IT Department.*

If you have any questions or concerns, including concerns about financial hardship please do not hesitate to contact the school on 8676 2388.
