PRINCIPAL'S MESSAGE

This week marks many milestones in Term 4. We are over halfway through this final term, and it is also the week where we officially farewell our graduating Year 12 students.

Whilst I am sure they will all disagree, it seems only a moment since we welcomed them back to their last ever first day of the school year in January. They have been an exceptional group, with some large personalities and many quiet achievers working away behind the scenes. It is always bittersweet to see them go and lose their skills as leaders and role models in our school community, but we know they will take these skills, and many more, into the next phase of their lives. We look forward to celebrating their achievements on Thursday at assembly and on Friday night at their Graduation Dinner.

Graduating Year 12s also means some parents get to take a break from the support and encouragement they have shown our school community throughout many years. This year we would like to acknowledge the contributions of the following families as they exit the formal education system along with their youngest child.

Many thanks to: David & Jodie Black, Bec Osman, Simon & Marika Giddings, Tim & Georgie Glover, Claire Adams & Kingsley Habner, Marc & Erin Kilmartin, Tom Millard & Bernie Paige, Stuart & Kathy Modra, Lyndon & Danielle Morgan, Jarrod & Jacqui Phelps, Lyle & Joz Phelps, Jennie Vallely, Michael & Laura Smith, Kris & Carrie Speed, Michael & Sacheen Meaney, and Ian & Kerrie Proctor.

I am sure that some of you have been waiting anxiously for this day, but we are forever grateful that we have been able to share your children's educational journey with you.

Whilst we farewell our oldest students, we also welcome our newest this week as they begin transition from Preschool to school. It is an exciting time to show our newest students how school works and introduce them to school staff and the school environment.

Last week we welcomed our five Lake Wangary Primary School students who will be attending CAS in 2026 as Year 7 students. They spent a day in Mrs Phelps' Year 5/6 class and will return for a few days in Week 7 to experience secondary transition with our current Year 6 students.

Classes are almost finalized for 2026. This is a time-consuming and well-considered process that takes many elements into consideration. We appreciate that it can be an anxious time for families as they await the outcomes of these

decisions, but I assure you they are not made lightly, nor without ensuring the best outcomes for all our students. Any considerations need to be emailed to Leaders, with the understanding that they will be considered in light of the overall picture and determined by a range of staff inputs.

Yesterday the Cummins Sporting Clubrooms hosted a forum for teachers across EP to share the work they have been doing on Expeditionary Learning. It was a great exhibition of how teachers have crafted authentic learning opportunities for their students, from Reception through to SACE. If you haven't listened to our fabulous Year 2s on our Learning Lens speaking with Emma Pedler, then do yourselves a favour and hear about how they enjoyed their experience.

Have a great fortnight.

Regards, Mel

Governing Council Update

Our week three Governing Council meeting was held on Tuesday the 28th of October. We discussed several issues including the Material and Services Fees for 2026, please see the letter and information in the week three newsletter (available on the school website). There is the opportunity to put your thoughts forward by contacting the school, governing council members and in person at the **special meeting** which will be held at the **Cummins Library 7pm on Tuesday the 11th of November**.

Bus routes are an ongoing conversation and being worked on with the cooperation and guidance of the Department of Education. Concerns and suggestions about bus routes can be made directly to the bus committee, school and governing council. To ensure accurate and timely responses, personalised correspondence via email to either DL.0754.info@schools.sa.edu.au or casgoverningcouncil@gmail.com is the best way to make contact. The bus committee are always working to ensure that the bus routes are efficient and equitable for all.

Breakfast club continues to be a wonderful success, and we love that any child within the school can have a quick bite before starting the day. Please contact Cathy at the school to volunteer for this important and successful program. We have our special meeting regarding the Materials and Services fees at 7pm on Tuesday 11th of November in the Cummins Library, then our last general meeting for the year at the Cummins Hotel Conference room at 7pm on Tuesday 2nd of December. Governing Council can be contacted on casgoverningcouncil@gmail.com or catch up with any of our members.

Bec Habner
Chairperson

Students are not permitted on school grounds before 8:30 AM, as there will be no supervision available during that period. Thank you for your understanding and cooperation.

Breakfast Club

Toast & Fresh Fruit will be available every morning from 8:30am at the canteen during the school term for our students.

Sapsasa Girls Football

The State Sapsasa AFL Football Girls Championships were held in Adelaide from Monday 27th to Wednesday 29th November. In the Lower Eyre Peninsula Team, Cummins had three representatives - Stevie Minhard, Haeden Wilson and Aoibheann Fox. The girls had tough competition on Day 1 playing the eventual winners and runners up in the division and lost all of their three matches. Day 2 and 3 saw the girls play well as a team and won 5 of their next 6 matches, ending up equal 5th in Division 1. Winners were Adelaide SE and Barossa & Light were runners up.

Results

- LEP lost to Barossa & Light 1-1 to 4-4
- LEP lost to Adelaide se 2-1 to 5-6
- LEP lost to South West 0-0 to 5-7
- LEP defeated East Adelaide 5-8 to 3-1
- LEP defeated Onkaparinga South 4-2 to 2-4
- LEP defeated Port 2-1 to 1-4
- LEP lost to Airport 2-4 to 4-4
- LEP defeated Upper SE 3-3 to 1-1
- LEP defeated Mid SE 10-3 to 0-0

Once again thank you to the girl's parents who travelled to Adelaide with them and enabled them the experience of competing in the carnival.

Lower Eyre Peninsula District Swimming Carnival

On Friday 7th November, the annual LEP Swimming Carnival was held at the Port Lincoln Leisure Centre. Aine Fox was the only Cummins student participating. She competed in the 10 year old girls age group in 50 metres freestyle, breast stroke and backstroke.

Congratulations on gaining first place in the 50 metres butterfly.

SWIMMING LESSONS 2025

The completion of the swimming pool has been delayed, preventing swimming lessons and the annual carnival this year. We anticipate resuming both activities in early 2026 after the pool is finished.

Thank you for your understanding and support.

Week 6: 17th - 22nd November
9:00am - 5:00pm daily

The Scholastic Book Fair has arrived!

We are excited to announce that our Book Fair will be open for the entire duration of **Week 6!** Families are warmly invited to visit and discover a fantastic range of quality books, all available at reasonable prices.

Every purchase you make goes directly towards supporting our library and expanding our collection for everyone to enjoy. Students will also have the chance to browse the display with their class and create personal wish-lists to share at home.

We look forward to welcoming you and sharing our Book Fair adventure!

Save the Date: Friday, 21 November from 9:30am

As part of our **Words Grow Minds** campaign, we invite you to join us for a special session. After our usual songs and rhymes, we are delighted to welcome Petrea Glover, Occupational Therapist, who will be sharing her insights on the benefits of play.

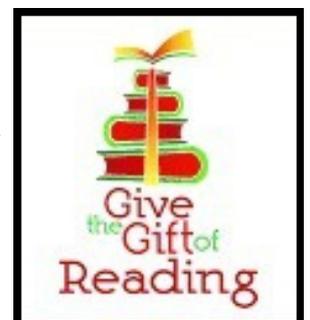

There will be a wonderful array of activities available for your babies and children to enjoy both indoors and outdoors, while you listen and chat with Petrea. We would love for you to join us for this informative and engaging morning!

SPECIAL REPORT: New Social Media Regulations: What you need to know

From 10 December 2025, new laws will take effect in Australia to protect young people online by restricting access to social media for those under the age of 16. This important change reflects growing community concern about the impact of early social media use on children's mental health, wellbeing and development. Research shows that social media can expose children to unrealistic comparisons, online pressure and harmful content long before they are emotionally ready to manage it. While regulation is a positive step forward, real safety begins at home. Families continue to play the most powerful role in helping children build confidence, resilience and awareness in the digital world.

These new regulations provide an opportunity to talk openly with your child about their online experiences and what these changes mean for them. It's also a chance to review family technology habits, reinforce healthy routines, and explore age-appropriate ways for young people to connect, learn and express themselves.

This Special Report explains what the new laws mean in practice and offers practical guidance to help families prepare for the upcoming changes.

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

GOVERNING COUNCIL UPDATE – MATERIALS AND SERVICES FEES FOR 2026

2026 fees: The Governing Council proposes the amounts for the Materials and Services charges for 2026 are \$431 (\$6 increase on 2025) Foundation to Year 6 and \$528 (\$7 increase on 2025) for Years 7-12. These fees are above the minimum set out by DECD by \$125 per student and are detailed in the notices included in this newsletter. In addition to Materials and Services charges as outlined above, there is a proposal to charge a subject fee for Design & Technology (Technical Studies) and Home Economics per semester as follows:

- Year 9 (WOODWORK) - \$35
- Year 9 (METALWORK) - \$35
- Year 9 (ADVANCED TECHNOLOGY) - \$25
- Year 9 (FOOD & HOSPITALITY) - \$25
- Year 10 (WOODWORK) - \$55
- Year 10 (METALWORK) - \$55
- Year 10 (ADVANCED TECHNOLOGY) - \$55
- Year 10 (FOOD PRODUCTION) - \$25
- Year 10 (FOOD & HOSPITALITY) - \$25

It is the intention of the Governing Council to obtain approval for this fee rise via a parent/caregiver poll. This charge will be finalised at the next Governing Council meeting on Tuesday, 11th November at 7pm in the Library. All parents/caregivers/students are invited to attend this meeting and participate. If you are unable to attend the meeting then please contact me or email (CAS.govcouncil@gmail.com) with any questions/feedback prior to this meeting. Alternatively, a feedback box will be positioned in the school front office. Write down feedback and place in the box and please add your contact details if you wish to receive direct contact, information or answers to questions. I am also happy to meet anyone in person to discuss this.

Poll:

The polling process is set out by the Department for Education. Each family receives one vote per student. The poll must be conducted following the Governing Council meeting on 11th November 2025 and will be online. A link will be emailed to school families and there will be a 2 week period for voting to occur. The result will be determined by 50% + 1 of the votes. A poll outcome in favour of the fee rise above the minimum will mean the fees are compulsory (except for students with school cards). A poll outcome against the increase will mean the Governing Council will only seek the amount above the minimum as a voluntary contribution.

Reasoning for increasing fees:

The Materials and Services Charges fees are directed toward the daily use of items set out on the attached notices. Extra funds for these items allows the school to redirect funds within their flexible budget that would otherwise be spent on provision of materials. As a Governing Council, we are constantly looking at options to positively influence the learning of Cummins Area School students. The proposed fee will raise an estimated amount of \$40,000 for the 2026 school year.

This money supports covering some of the costs of our Materials and Services, but further enables:

- Improvement of student access to Information Technology including online services, wireless access, printers and computer hardware.
- Provision of items relevant to a supportive and integrative learning environment.
- The use of the latest advances in curriculum, including printing for students and photocopying of student resources.
