PRINCIPAL'S MESSAGE

We opened the term with one of the most significant events on our calendar – the Dux Assembly. This occasion gives us the opportunity to celebrate the leadership of students across our site, and it was a wonderful way to begin the term.

Bradley Phelps, our 2025 Dux, was recognised for his exceptional work ethic, commitment to his goals, and his ability to draw on a diverse range of learning pathways. Bradley combined Vocational Education and Training – completing his Certificate III in Agriculture on the family farm – with traditional classroom-based study. He maintained a consistent and determined approach to his Year 12 studies, achieving an ATAR well above what was required for his chosen university course. This reflects a high standard of personal integrity and excellence; Bradley set the bar high for himself and aimed not just to get there, but to surpass it. It is an outstanding quality in a young person, and one we have no doubt will serve him well as he pursues his career ahead.

We also celebrated a number of school leaders at the assembly. Our House Leaders demonstrated impressive organisation and commitment throughout Term 1's sporting events, and we congratulate them on earning the confidence of their peers. Those peers heard inspiring and considered speeches before casting their votes, and we commend all of our House Leaders for having the courage to put themselves forward.

Our Student Voice Representatives likewise deserve recognition. They have committed to working alongside their adult mentors, Mr Breen and Mr West, to help shape a better educational environment for all students at Cummins Area School. We look forward to seeing them rise to the challenge of initiating meaningful change, and we encourage them to work closely with their peers to identify and create opportunities that enrich everyone's learning experience. The final piece of the leadership picture came from our wonderful Year 12 students, who officially welcomed their Reception buddies to school. It is always a pleasure to watch our senior students step into this role – and to see the relationships that develop so quickly. The growth that occurs as both year levels navigate the two ends of formal schooling together is genuinely heartwarming, and the enthusiasm and commitment our Year 12s bring to offering a strong foundation to our newest students is both special and important. These early connections help build a sense of belonging right from the start.

We also took the opportunity to officially farewell two long-standing members of our staff. Bronny Fitzgerald and Val Slater have each contributed enormously to our school over more than 30 years. While their retirements from the Department will certainly leave a gap across our site, we are genuinely excited for the adventures and opportunities that await them both beyond the classroom. It has been an absolute privilege to work alongside two such dedicated and passionate

educators. Their love of learning and their generosity in sharing their knowledge and expertise has been second to none. We wish Bronny and Val all the very best – may the years ahead be full of new experiences and well-earned joy.

Parent-Teacher Interviews will be held on Monday and Tuesday of Week 3 – the 11th and 12th of May. We encourage all families to take this opportunity to connect with their child's teacher as part of our Assessment and Reporting Policy. Booking information will be sent via Daymap in the coming days.

This term we farewell our Student Support Officer, Rachelle, who has accepted a Team Leader position with Mental Health in Port Lincoln – a wonderful acknowledgement of her expertise and dedication. Rachelle's last day with us will be Friday, 8th May. Over her two and a half years at CAS, Rachelle has made a truly significant contribution to our school community. She has built genuine, trusting relationships with students, provided exceptional guidance to staff, and has meaningfully strengthened our capacity as a site to support the wellbeing of our young people. Her knowledge, care, and commitment have left a lasting impression on all of us. We wish Rachelle every success in this exciting new chapter – she takes with her our warmest thanks and best wishes. Families will be kept informed of arrangements for ongoing student support as we work through next steps.

We warmly welcome Kelly Fettes to Cummins Area School. Kelly is completing her teaching practicum with us and will be working alongside Ellie Cooper and Boyd West. We would also like to congratulate Jed Woolford on achieving his Lead Teacher accreditation – a nationally recognised accreditation that acknowledges the leadership demonstrated by classroom teachers in their everyday practice. Jed joins Rachel Dennis as one of only two staff members to have completed this process in the past two years. A wonderful achievement!

Have a great fortnight. Mel

Students are not permitted on school grounds before 8:30 AM, as there will be no supervision available during that period. Thank you for your understanding and cooperation.

CAS PHOTO DAY: 13 & 14 MAY

Sapsasa Softball

Congratulations to Adaline Lawrie, Kenzie Boehm and Ella Hansen who represented LEP at the Sapsasa Softball State Carnival in Adelaide at the end of Term 1.

The team played 9 games over 3 days, winning 7 matches for the carnival and finishing 3rd overall in their division. A fantastic achievement.

The girls thoroughly enjoyed this opportunity and demonstrated great sportsmanship, both on and off the field. They encouraged and supported each other, and even tried the playing positions of pitcher and catcher throughout the carnival.

Students enjoyed playing on the official dirt softball field in front of the grandstand, where they were all surprised by how quickly the ball moved along the ground, in comparison to the grass fields they were used to.

The girls shared their highlights for the week:

'Meeting new people and getting to be part of Sapsasa' – *Addie*

'Getting to know other people and playing with people I didn't know' – *Kenzie*

'Learning new skills and having fun with new people' – *Ella*

Adaline, Kenzie and Ella are excited to try out for Softball again next year and encourage more people to give the sport a go, as it is a lot of fun.

PRE-ORDER YOUR ADDITIONAL INDIGENOUS SCHOOL SHIRT

ACE are now accepting pre-orders for our Indigenous School T-shirt. Orders close on the 4th of May.

Our Aboriginal students worked together on the design which was completed at the end of last year.

It is a slightly straighter fit than the current school shirt and it is similar to the Ramblers' and Cougar's training shirts.

Reconciliation is all of our responsibility and this is only one way that we can show our support for our First Nations People's.

I look forward to seeing students wearing this additional t-shirt with pride and start the conversation.

Celebrating 20 Years of Baby Bounce!

Friday, 1 May marks a very special milestone—20 years since the introduction of Baby Bounce to our Library and community. Over the past two decades, we have had the joy and privilege of sharing nursery rhymes and songs with countless children and their caregivers. It has been truly rewarding to watch families grow, connect, and create cherished memories together.

Throughout the years, Baby Bounce has evolved and developed, but its core values remain unchanged: fostering a love of nursery rhymes, highlighting the importance of singing and communication, and encouraging meaningful play between children and their families.

This achievement would not have been possible without the continued support from our wonderful community. We extend our heartfelt thanks to the many dedicated presenters who have contributed their passion and expertise, advocating for and shaping the Baby Bounce program.

Thank you for being part of this incredible journey with us—we look forward to many more years of laughter, learning, and music together.

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

Responding to Peer Pressure

Peer pressure is a natural part of growing up. As children and adolescents place greater importance on friendships and belonging, the influence of peers can shape their choices, behaviour and sense of identity. While this influence can be positive, it can also create pressure to conform or take risks, particularly during adolescence.

In today's digitally connected world, peer pressure extends beyond face-to-face interactions. Social media and online communication expose young people to constant comparison and unspoken expectations about how they should look, act and perform. Understanding how peer pressure works, both on and offline, helps families support young people to build confidence, make healthy decisions and stay connected to their own values.
