PRINCIPAL'S MESSAGE

As we reach the final newsletter for Term 2, there is much to reflect upon across the first half of what has been a busy and successful year at Cummins Area School. We are all looking forward to the mid-year break and the chance to reset before heading into the final terms of 2026.

Work Experience and Careers

Last week our Year 11 students completed Work Experience at a range of businesses across the Eyre Peninsula. We have received wonderful feedback from these sites about the way our students conducted themselves, showing initiative and resilience as they stepped into new environments and tasks. Our Year 10 students are taking part in this experience this week, before heading to Adelaide next week for their Careers Trip. We are grateful to Julie Harder for the significant time and effort she has put into making this happen, along with our Regional Pathways Advisor Kirsty Fox and SACE/VET Coordinator Kathy Keenan, who together ensure our students have the opportunity to explore a range of post-school careers, pathways and options.

Science and Engineering Challenge

The Science and Engineering Challenge has always been a key element in our STEM education, driven by the passion of Claire Stephens. After a recess of many years, we joined with Port Lincoln High School last week to send a team of enthusiastic Year 10 students to a heat in Adelaide. A bit like Australia in the FIFA World Cup, we ended up in a strong heat against nine big, highly fancied metropolitan schools. In what was no surprise to those of us who know the calibre of education the students receive in this area at the two sites, we finished a very credible second on the day. This is an outstanding achievement given the mixed team, and we are incredibly proud of not only the efforts of our students, but also the way they represented Cummins Area School. We are eager to continue this into 2027, building on the knowledge we gained this year.

Student Free Days for 2026

Last week our Governing Council approved the following Student Free Days for the remainder of 2026. Sharing these now gives families greater notice to plan ahead and helps minimise the impact on continuity of learning, and we thank the parents on this committee for their support in

Semester 2 Timetable and Staff Changes

We have commenced the Semester 2 timetable this week, in an effort to balance learning time for students in semester-based subjects, particularly in Year 11. We have a few staff changes this semester as some staff members take leave for the remainder of the year. We welcome Todd Coleman and Julie Gerber, who join us on contract while Jed Woolford and Patrick Rowe both take parenting leave. We also welcome Rachel Dunstan, who will be taking over Miss Indiah's Reception/Year 1 class while Indiah and Chris begin the amazing journey of parenthood. We wish Indiah all the best and look forward to visits from Baby Dunn. We are also delighted to welcome our new Reception students into Miss Bennie's class next term. They have commenced their transition program and look very ready for school life.

Enjoy the Break

Have a fabulous break from school and, for many of us, from winter sport. I'm sure there will be plenty of camping, toasted marshmallows and camp ovens over the next few weeks. Enjoy!

Mel

A huge thank you to parent helpers Hayley Ness, Alisha Elliott and Josie Turnbull, along with John Norton for driving the bus down. We also extend our appreciation to the Cummins Basketball Association for their ongoing support with uniforms and umpiring. Events such as these would not be possible without the support of our wider community.

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

Responding to Peer Pressure

Peer pressure is a natural part of growing up. As children and adolescents place greater importance on friendships and belonging, the influence of peers can shape their choices, behaviour and sense of identity. While this influence can be positive, it can also create pressure to conform or take risks, particularly during adolescence.

In today's digitally connected world, peer pressure extends beyond face-to-face interactions. Social media and online communication expose young people to constant comparison and unspoken expectations about how they should look, act and perform. Understanding how peer pressure works, both on and offline, helps families support young people to build confidence, make healthy decisions and stay connected to their own values.
