## PRINCIPAL'S MESSAGE

By the end of this week we are going to see some tired Primary students as they complete swimming lessons and finish with our fabulous Swimming Carnival alongside their secondary peers on Friday. We are fortunate to be utilizing our newly redeveloped pool, and it is yet another reminder of the power of being supported by such a driven community. Parents and family members are encouraged to attend and soak up the atmosphere as Eyre and Sturt seek to dethrone Flinders, who had a successful 2025.

Tonight is our Governing Council AGM, to be held at the Cummins Hotel at 7.00 pm. We are always looking for more parents to be part of this important element of school governance. Governing Council plays a vital role in school decision-making, including budget oversight, policy development, and strategic planning. We would love to welcome parents from all areas of the school, as well as the various areas of Lower Eyre from which we draw our students, to gain a broader perspective of our school community. Please feel free to attend if you are interested in learning more.

This week we will be advertising our Agriculture Manager role. With Megan pursuing her gardening dream, we have taken the opportunity to create a position that will support the development of our Agriculture program, currently being undertaken by our Ag Team under the guidance of Pathways Coordinator Kirsty Fox. We will inform our school community once the position is live and ready for applications.

After Week 1 began with a focus on building and strengthening relationships across the site, classes are well and truly back into learning mode. Front and centre for us are the three elements of our Site Learning Plan and their interaction with our whole school Purpose Statement, which was constructed following the forums in 2024. This statement was based on the consensus we developed across staff, students and families, and is at the centre of all that we do as we move towards achieving our outcomes. Our purpose states the following:

Government of South Australia  
Department for Education

INTEGRITY

COURAGE

PERSONAL EXCELLENCE

COMMUNITY

*To INSPIRE our students through rigorous and engaging learning experiences that foster critical dispositions, capabilities, and knowledge needed for a future world that is both rich in possibilities and full of uncertainties.*

*We strive for excellence in academics and character, nurturing kind, empathetic, resilient, courageous and resourceful citizens so that they can actively contribute to their community.*

*When our young people learn and achieve, thrive and prosper, so does the community of Cummins.*

To achieve this, our Site Learning Plan currently focuses on three strong drivers: Crew, Reading Improvement, and Engaging Learning. This does not mean other elements are forgotten or less important; rather, these are the areas we believe will give us the best foundation for achieving our outcomes. We look forward to sharing more about these areas through future newsletters, Family Learning Events, and Three Way Conferences.

Have a wonderful fortnight, and I hope to see many of you on Friday at Swimming Carnival.

Regards Mel

Our Home Economics faculty and students would like to sincerely express our gratitude to Rahel Gerber for her generous donation of spices for our cooking endeavors. Your contribution is truly appreciated.

### CAS CHAPLAINCY GROUP

It is with great sadness that we share the passing of our esteemed and longtime committee member, Dean Richardson.

Dean has served on our committee for many years with dedication, passion, and support for the Chaplaincy School programme and his impact will be felt for years to come. Our heartfelt condolences and love go out to Barb and Mardi (our school Chaplain), Tim, Adam and Narelle and their family and loved ones.

We will also be postponing our CAS Chaplaincy Group AGM until further notice.

**Students are not permitted on school grounds before 8:30 AM, as there will be no supervision available during that period. Thank you for your understanding and cooperation.**

**TALK**

**Tip of the day**

Get down to their eye level and talk.

Babies watch your lips and expressions to learn how words are formed.

When you get down to their level, babies can see how your lips move and notice your expressions. This helps them learn how sounds are made and builds early social skills.

### Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

**1. REGULAR LUNCH PASS:** These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

**2. SPECIAL LUNCH PASS:** Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires a **written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 – 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

## STARTING NETBALL IN 2026

Is your Cougar Cub the future of our club?

Cummins Kapinnie Netball Club is proudly looking ahead and welcoming the next generation of netballers into our club community. If you're 11 and under as of December 31<sup>st</sup>, we have spaces in our non-competition E Reserves, E3s, and Netta sides, as we look to develop our next wave of junior netballers. All teams train Thursday in Cummins after school. E Reserves and E3s will play match days where the opposition can fill a side.

Whether you're new to netball, or looking for a club to grow with into the future, please contact any of our club people, or President Danielle Meaney [ckncpresident@gmail.com](mailto:ckncpresident@gmail.com) to discuss.

### Grief and Loss

Grief and loss are feelings and experiences that everyone will face at some point in their lives. It is important to understand that these feelings are a normal and natural response to losing something or someone that was important to us. When we experience loss, it can be difficult to understand and accept. However, with love, support, and time, most people are able to heal and move forward. As a parent, it is important to talk to your children and adolescents about grief and loss, to help them understand what they may be feeling and provide them with the support they need to heal.
