## PRINCIPAL'S MESSAGE

If you were a "fly on the wall" at Cummins Area School this week, you'd be witness to a school buzzing with energy! Classes are hitting their straps as they settle into their core work for the term, children are still glowing (and perhaps a little tired!) after a fabulous Swimming Carnival, finals fever has well and truly taken hold in cricket, tennis and basketball, and excitement is building as we count down to Sports Day.

The Swimming Carnival was a wonderful event – blessed with superb weather, a fantastic crowd of parents, grandparents and community members, and strong participation across all year levels. Student behaviour was exceptional, and every student in attendance should be proud of how they represented their school, their house, and themselves. A special congratulations to Braden Holley on breaking a record, and to the mighty Eyre on regaining their status as the team to beat! We'll be watching with great interest to see whether they can carry that dominance onto the track and field next week.

Our Junior Primary Family Learning Event last week was well attended, and I hope families enjoyed the opportunity to experience a Crew lesson firsthand – to see and feel what it looks like in action. These daily sessions are at the heart of how we build the dispositions and capabilities our students carry into all areas of their learning, and having families alongside us in that experience is something we truly value. This Thursday, we have a similar session for our Primary families – we'd love to see you there.

Over the past few weeks, Year 3–12 students have been working through a range of events designed to ease the pressure on our Sports Day schedule. Long Jump and Triple Jump are now complete for most classes, and last week students took on the 800 m with some impressive efforts and results. Today, students will tackle the 1500 m – a challenging but important event, and one where participation points can often play a decisive role in the final outcome of the day.

We are very much looking forward to welcoming families and community members to next week's Sports Day, with a pleasantly mild day currently on the forecast.

See you next Wednesday at the Town Oval!

Mel

## Eyre Shines with Swimming Carnival Victory

On Friday, 13 February (Week 3), Cummins Area School held its Swimming Carnival for the first time in two years. # PREMIER'S READING Challenge

# 2026

Cummins Area School and the Cummins School Community Library are excited to participate in the Premier's Reading Challenge again this year. The Challenge encourages all students to explore the world of books and develop a lifelong love of reading. By reading a set number of books, each student has an opportunity to receive special recognition from the Premier of South Australia and celebrate their achievements. We invite families to support their children by discussing book choices and making time for reading at home. Let's work together to foster a strong reading culture and inspire our students! Happy reading!

## Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

**1. REGULAR LUNCH PASS:** These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

**2. SPECIAL LUNCH PASS:** Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires **a written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 - 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

## STARTING NETBALL IN 2026

*Is your Cougar Cub the future of our club?*

Cummins Kapinnie Netball Club is proudly looking ahead and welcoming the next generation of netballers into our club community. If you're 11 and under as of December 31<sup>st</sup>, we have spaces in our non-competition E Reserves, E3s, and Netta sides, as we look to develop our next wave of junior netballers. All teams train Thursday in Cummins after school. E Reserves and E3s will play match days where the opposition can fill a side.

Whether you're new to netball, or looking for a club to grow with into the future, please contact any of our club people, or President Danielle Meaney [ckncpresident@gmail.com](mailto:ckncpresident@gmail.com) to discuss.

### Grief and Loss

Grief and loss are feelings and experiences that everyone will face at some point in their lives. It is important to understand that these feelings are a normal and natural response to losing something or someone that was important to us. When we experience loss, it can be difficult to understand and accept. However, with love, support, and time, most people are able to heal and move forward. As a parent, it is important to talk to your children and adolescents about grief and loss, to help them understand what they may be feeling and provide them with the support they need to heal.
