PRINCIPAL'S MESSAGE

Welcome to the 2024 School Year!

I hope that you have all had a lovely break and, like the staff, are keen and eager to get back into the routine of school life.

I'd like to welcome all of the new families to our school. We are privileged that you have chosen Cummins Area School to educate your child/ren and look forward to connecting with you as we share their learning journey with you. It is also great to see our 2023 students back onsite, all looking just a little bit taller and a little bit older after a 6 week break.

We also have a number of new staff. Welcome to Kristen Scheffler, Murray Waite and Tara Millard who join our teaching team. We are also thrilled to welcome Caitlin Bennie back as a teacher as she moves from the SSO role she undertook whilst studying now that she has graduated. New SSO staff include India Copland and Matilda Crettenden, both of whom are also studying whilst working with us.

I am also thrilled to introduce Rachelle Dawkins. Rachelle has won the role as Social Worker at the site and comes to us with a vast range of experience. We look forward to having Rachelle play a significant role in our Wellbeing Team, including supporting staff with relevant training, running small groups and being central to the development of a wellbeing / reconnection centre to assist students to reset for learning throughout the day.

I'd like to acknowledge the excellent work of our Yr. 12 cohort from last year. Not only were they a fabulous group of young adults who fulfilled our expectations of being great role models within the school setting, they have all worked hard to go on and achieve the vision of this school in leaving here as awesome, contributing members of the wider community. Some are heading off to university to study, others are continuing with their school based apprenticeships as fulltime apprentices, and others are working in a variety of roles including Business Administration and Rousting. Well done to each and every one of them for completing their SACE and taking their skills into life beyond school.

This year, as well as further developing our work on writing improvement across the school, we will also be focusing in on Learner Agency. This will see us working with students to build their capacity in owning their learning and playing a greater role in co-constructing success criteria and goals. It is a major area of impact in the Public Education Strategy and one that we are passionate about given the articulate nature of our students.

2024 TERM DATES

Term 1

Term 2

- Monday, 29 April – Friday, 5 July

Term 3

- Monday, 22 July – Friday, 27 September

Term 4

- Monday, 14 October – Friday, 13 December

While on the topic of building Learner agency, I'd like to encourage you as parents / caregivers to join Governing Council to build our Parent engagement and agency in the school. Information about the AGM is available in this newsletter and we are always looking for new members. Meetings are a mix of face to face and online formats to increase accessibility. Please come along and be part of the team.

This year we are looking to revamp our Bus Committee. We will be seeking one parent representative per bus run to participate in meetings where issues are addressed such as information from Transport services. It is also a forum where initial conversations can be held re changes in bus runs before taking these to Transport services and working their processes. If you are interested, please contact Sheree at the school and she will put your name down. If there is more than one parent keen per run we may have to run a mini election. Again, if buses are something you would be keen to understand more about, especially the rules and regulations, please put your name forward.

Just a couple of quick uniform reminders as we readjust to school life. Late last year the policy changed to enable the wearing of black pants / shorts which certainly seems to have made life a bit easier for families to locate rather than grey. All JP/Primary students are required to wear a school broad brimmed hat for outside play during summer, autumn and spring. Yrs. 7-12 require either a bucket or broad brimmed hat. These can be any colour/pattern/brand but are not to convey offensive messages, advertise alcohol etc. Board Shorts, Crocs and Birkenstocks are not part of the school uniform and not appropriate for school wear.

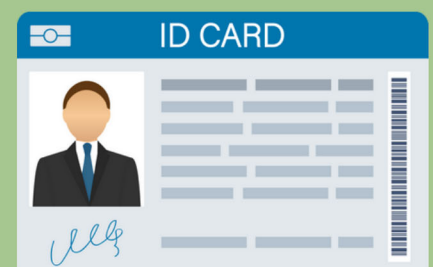

All parents should have received an email on Monday with a link to Daymap, our new Communication / Learner Management System. Attached to this email were instructions to get you started with the platform. Please follow these and engage with the platform ASAP so that we can use it for communication, with the goal of using it to share your student's assessments, learning tasks etc. later this term. We believe that it is a far more reliable system and look forward to having a system that works and builds rather than hinders our ability to communicate. If you experience any issues at all with logging in, please either call the school or pop in this week so that we can iron them out.

Have a great start to the term. As always, back to school delivers with fabulous weather and some very tired people by the end of week 1!

Regards

Mel

BYOD LAPTOP PROGRAM FOR YR 7-12 STUDENTS

<https://cummins.orderportal.com.au>

All students from Year 7 to Year 12 are required to supply their own laptop for use at school.

We ask that *ALL* purchases of new laptops for school use, for all year levels, be made via the School Ordering Portal. This alleviates the current issue of the many varied devices being purchased which do not meet the required minimum specifications for use at school.

The online Order Portal provides families with a variety of suitable devices which meet the required specifications, including some accessories, insurance and finance options. The devices found on the portal have been chosen for their battery performance, durability of cases, network compatibility and based on recommendations from industry experts.

Other considerations when purchasing a device for your student:

- **Insurance:** check your home contents insurance to see if the device will be covered
- **Transport between home and school:** device should be carried in a sturdy protective bag away from food & water bottles
- **Charging:** Students must charge their device at home and bring it to school every day fully charged. (Personal power adapters are not to be used at school unless Tag Tested).
- Students have access to **Microsoft Office 365** via their School email account at no cost, providing access to Word, Excel, Powerpoint, One Drive etc. There is no need to purchase this software separately.
- Whilst enrolled at school, students are connected to the school provided internet and are protected by a significant Departmental filtering system that prevents access to many harmful or malicious sites. According to Cummins Area School ICT Acceptable Use Policy, students may use the internet only for learning related activities that are approved by a teacher.
- It is the responsibility of the student / parent / caregiver to setup the Home-Internet connection on the device.
- Students must perform 'Software Updates' on the device as they become available in order to install the latest virus definitions and security patches.
- Students will use OneDrive provided through Office 365 which safeguards work from being lost on a USB etc. Students are also strongly encouraged to backup necessary files in numerous locations, including via email where appropriate. Technology failure is not an approved circumstance for extensions at Cummins Area School.

**Device chosen must take into consideration the types of subjects the student is studying eg; Design related subjects may require an i7 (Senior High School students)*

***Please note; Apple devices are not recommended for use in our school environment as they are not compatible with our school network and will impact your child's ability to access school services such as printing. Apple devices will not be supported by the School IT Department.*

If you have any questions or concerns, including concerns about financial hardship please do not hesitate to contact the school on 8676 2388.
