Department for Education

PRINCIPAL'S MESSAGE

While Tuesday was a little warmer than we all would have liked, it was wonderful to commence the 2026 school year in such a positive way, with staff, students and families reconnecting after the long summer break. We extend a warm welcome back to our existing families and students, and a special welcome to the considerable number of families joining the Cummins Area School community for the first time. We are excited to embrace new members and hope your time at CAS will be positive and successful.

Our community has endured significant losses over recent months, which have impacted many staff, students and families. During this time, I have connected with a range of services within the Department for Education to access advice on supporting our community, including the Social Work team and the Employee Assistance Program, who flew over last week to work with staff on self-care strategies and approaches to support our students. We are also fortunate to have an incredible Wellbeing Team onsite: Rachelle Dawkins (School Buy-in Social Worker), Susie Hansen (Mental Health in Primary Schools pilot), and Mardi Green (Pastoral Support Worker) are all well-equipped to provide additional layers of support alongside the connections built with Crew Leaders and Home Group teachers. Please don't hesitate to reach out if you have questions, need resources, or wish to refer your child for extra guidance.

With each new year come staff changes. While we've been fortunate to maintain strong continuity for our students, I'd like to acknowledge some appointments. Kirsty Breed, Elise Goldsmith, Tayla Kemp and Caitlin Haarsma have all taken up part-time teaching positions for 2026, and we're excited to have their experience and enthusiasm on our team. Kate Fitzgerald has also filled the shoes of Bronny as our SAPSASA co-ordinator.

I must also acknowledge the departure of Lauren Foster, our Inclusion/Wellbeing Leader, who has moved to another site. Lauren held significant knowledge about our students and inclusive education processes, and her commitment to improving outcomes for those with learning needs was exceptional. We wish her all the best in her new role. Helen Higgins has been appointed as Inclusion Leader for the next three years and brings extensive experience from the Northern Territory, Western Australia and Queensland in various inclusion roles and systems. Helen is

keen to build important connections with staff, students and families to ensure maximum impact in her role.

We also farewell Megan Briese, who is moving into stud ownership alongside her other farming and community commitments. Megan's efficiency, expertise and drive will be greatly missed, and we wish her and Adam all the best with their ventures.

As a school, we were thrilled with our Year 12 results from 2025. Beyond some excellent ATARs, the cohort was successful in achieving their SACE and taking steps toward their future goals. We have farmers, tradies, mechanics and local business employees, as well as future professionals in nursing, midwifery, agronomy, engineering, teaching and podiatry. Our 2025 graduates embodied our aspirations for CAS students—capable young adults with skills sought by employers. We are incredibly proud of each and every one of them.

A reminder that we are transitioning to a laptop hire system rather than parents purchasing devices. This allows greater control and filtering of content accessible at school and reduces financial impact on families. From the end of this term, we will no longer connect new individual devices to the school network. If you require a laptop for your child, please contact the school to discuss the loan process. Year 7 families received an agreement form this afternoon to sign. Once signed, devices will be allocated and Anna will send invoices for the hire fee in the coming weeks.

We are excited to continue working toward the school vision created by our whole community throughout 2026. There are many elements to this, which we'll share through newsletters during the year. We know that engaging with families is a key driver for improving student outcomes, and we aim to build on this in a more authentic way this year.

Here's to an exciting and fruitful 2026!

Regards, Mel

CAS CHAPLAINCY GROUP

It is with great sadness that we share the passing of our esteemed and longtime committee member, Dean Richardson.

Dean has served on our committee for many years with dedication, passion, and support for the Chaplaincy School programme and his impact will be felt for years to come. Our heartfelt condolences and love go out to Barb and Mardi (our school Chaplain), Tim, Adam and Narelle and their family and loved ones.

We will also be postponing our CAS Chaplaincy Group AGM until further notice.

Students are not permitted on school grounds before 8:30 AM, as there will be no supervision available during that period. Thank you for your understanding and cooperation.

SWIMMING CARNIVAL – FRIDAY 13 FEB

With the pool renovation behind us and a two-year wait over, we're ready to dive back into one of the biggest events on the school calendar... the Year 3-12 Swimming Carnival!

House Colours

Show your house pride by wearing your colours:

- **Eyre** – Red
- **Flinders** – Yellow
- **Sturt** – Blue

Wear a T-shirt, shorts or accessories in your house colour if you can.

Getting There

Students will meet in class crew first, then walk to the pool with their teachers. When not competing, you'll sit with your house team in the designated bays.

Championship Events

These are the competitive races for confident swimmers.

Events are 25 metres (one lap) and include:

- Freestyle
- Breaststroke
- Backstroke

Only enter if you can comfortably swim the distance. Life jackets are available for students who need extra support.

Novelty Events (from 11:45am)

These are fun, house-based relay activities in the shallow end – everyone is encouraged to join in! Events may include noodle relays, tube relays and other team challenges. All equipment is provided.

Participation Points

You earn one point per event you compete in, both championship and novelty events count toward your house total.

Medallions

Medallions are awarded to the highest point-scoring boy and girl in each age group based on their performance in individual events.

Safety First

Qualified swimming instructors will supervise throughout the day to ensure everyone stays safe in and around the water.

Sun Safety

When you're not swimming, you must wear a wide-brim hat and shirt. Bring sunscreen and use the shaded areas.

Not Allowed

Coloured zinc and coloured hairspray aren't permitted as they can damage pool filters. Parent photography is also not permitted during the carnival.

Food

The Cummins Pool canteen will be open with food and drinks available to purchase, or you can bring your own lunch.

Transport

Buses will take students back to school at the end of the carnival.

Spectators

Families are welcome to come along and cheer from the stands!

Let's make it a loud, proud and positive day for our houses, see you at the pool! 

Grief and Loss

Grief and loss are feelings and experiences that everyone will face at some point in their lives. It is important to understand that these feelings are a normal and natural response to losing something or someone that was important to us. When we experience loss, it can be difficult to understand and accept. However, with love, support, and time, most people are able to heal and move forward. As a parent, it is important to talk to your children and adolescents about grief and loss, to help them understand what they may be feeling and provide them with the support they need to heal.

Student Lunch Passes

Students leaving the school grounds during the lunch break must carry a LUNCH PASS. There are two types of passes.

1. REGULAR LUNCH PASS: These will be issued at the beginning of each year on the written request of parents.

These passes are for students returning to their own home for lunch regularly. This pass is not to be used to access local shops to purchase lunch.

They may be issued to cover one or more days each week.

2. SPECIAL LUNCH PASS: Students are sometimes required to leave school for particular reasons on isolated occasions e.g. hair cuts, personal shopping, lunch at a friends, or a birthday party.

For each occasion, the student requires a **written request from parents through Daymap**. Students will not be permitted to phone home during the day to access a lunch pass.

Students in Year 6 or younger must be accompanied by an adult when they leave the school grounds and have the written consent of their parents if the adult signing them out is not their parent.

Students in Year 7/8/ 9 must have written parental consent and be accompanied by another student the same age or older.

Students in Year 10 – 12 are able to leave the school grounds by themselves provided they have written parental consent. Our preference would be that they don't leave the school grounds alone.

All students who leave the school at Lunch time must sign out at the computer located at the Front Office. They must sign in on their return. This is an WHS requirement and applies to students with both Permanent and Daily Lunch passes.

It is school policy that hats are to be worn during Autumn, Spring and Summer seasons. Maroon broad brimmed hats are available for purchase through the Front Office and are worn by students in years F-6. For Students in years 7-12, a bucket hat can also be worn.

Interschool Sports uniforms & Show Team uniforms are owned by the school and loaned as appropriate to participating team members.

Classes involved in activities such as PE, Ag, or Tech may be able to change into clothes appropriate and safe for that activity. Students are to take direction from the teacher of that class.
